

# Turn your recyclables from waste to wealth through **GREEN BANK**

Green Bank project is a result of collaboration between UTAR and Go Greenonline Sdn. Bhd. The Go Greenonline Sdn. Bhd. has years of successful experience in dealing with recycling work in Pangkor Island.

**Green Bank UTAR**  
(located beside the motorbike parking area, FEGT)

**Here are 3 simple but important steps to follow before sending your recyclables to the Green Bank!!!**

**i) Register as Green Bank Member** through this link:

<https://forms.gle/eQe6dhJjFHYjLcFF6>

(You will receive an e-mail notification containing your account log in details once successfully registered. In future, you can check the green points obtained through your account)

**\*\*Please join [Microsoft Team \(Team code: 240juvu\)](#) to look for your membership code under "file section" – Green Bank Membership Info\*\***

**ii) Get access to the Green Bank.** The door is secured by a security apps (I-Time Tec). (Please refer to the installation guideline – 2<sup>nd</sup> page)

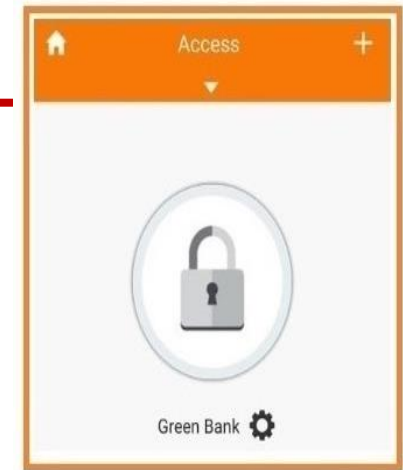

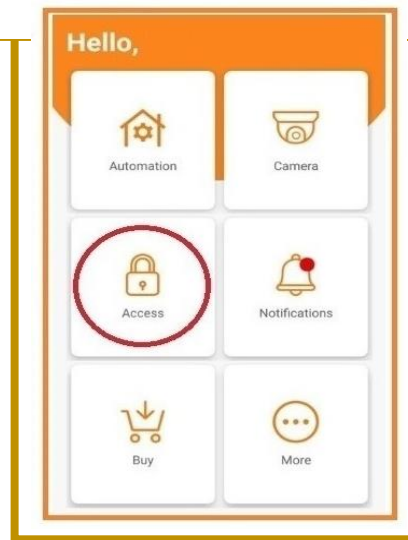

**iii) Now you can bring your recyclables and store it in GREEN BANK.** (Please refer to "Recyclables from you to Green Bank" – 3<sup>rd</sup> page)

# Installation guideline for I-Time Tec (1-6)

1. Download the apps from the Apps store.
2. Sign up the apps – **First e-mail** will be send to you, open the mail and click the “**Activation**” button. (You will be lead to their official web site, you may (i) go through the info, OR (ii) back to the log in process)
3. Log in the apps – You will be asked for Pairing code. Check your mail box for **2<sup>nd</sup> e-mail** with **Pairing Code**. Key in the pairing code and finish the log in process.
4. Update us through **M. Team** for the e-mail address you used for I-Time Tec registration\*.

5. Open your apps and click “Access” button.

6. Once this “Green Bank” lock icon is appeared, you are now able unlock the **door** by pressing the lock icon. \*(You will see this “lock icon” once you are added successfully into the access list based on the e-mail address provided by you in procedure 4)

# Recyclables from you to **Green Bank**

Categorized your recyclables and bring them to the Green Bank. All recyclables must be in **DRY** and **CLEAN** condition. Unlock the door using I-Time Tec apps (Make sure your Bluetooth is on)

Some examples showing the current practice to keep the recyclables in the Green Bank. Keep your recyclables in group and label it with your member code so that we can identify your contribution.

The collection will be done by the appointed vendor once the chamber is full. You may check your updated green points through: [www.gogreenonline.net](http://www.gogreenonline.net)

Once you obtained 100 **Green Points**, an amount of **RM10.00** will be credited into your **Touch 'nGO eWallet** by the system upon requested by the participants.

\*Please have your Touch'nGO eWallet Apps installed ya !!  
\*The credit will be made based on your handphone number !!
